

Locating Graves in the Winterset Cemetery with iowagravestones.org

Address: iowagravestones.org

From: Your smartphone, tablet, or computer

Search: Use one or both fields. Both fields can be set to surname or given name. Use Advanced Options for more criteria, such as cemetery name.

You only need to enter the first portion of any of these three fields, such as Beed for Beedle.

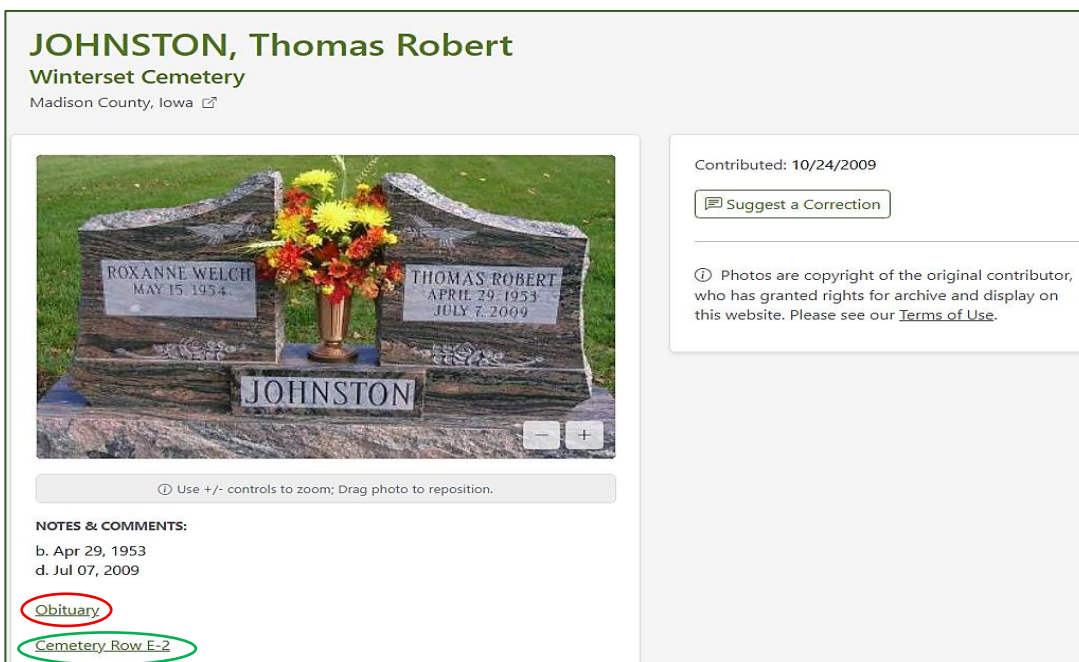

The screenshot shows the website's header with the logo and navigation menu. The search section is titled "Search Gravestones" and includes a "County" dropdown set to "Madison", "Last Name" and "First Name" fields both set to "Starts With", and a "Search..." button. An "Advanced Options" link is also present.

Choose from list: If an alphabetical list appears, scroll to, then click on your selection.

Total Matches: 66

Name	Cemetery	County
JOHNSTON, Agnes M.	Winterset Cemetery	Madison
JOHNSTON, Alex W.	St. Charles Cemetery	Madison
JOHNSTON, Alexander	Wight Cemetery	Madison
JOHNSTON, Alice J.	St. Charles Cemetery	Madison

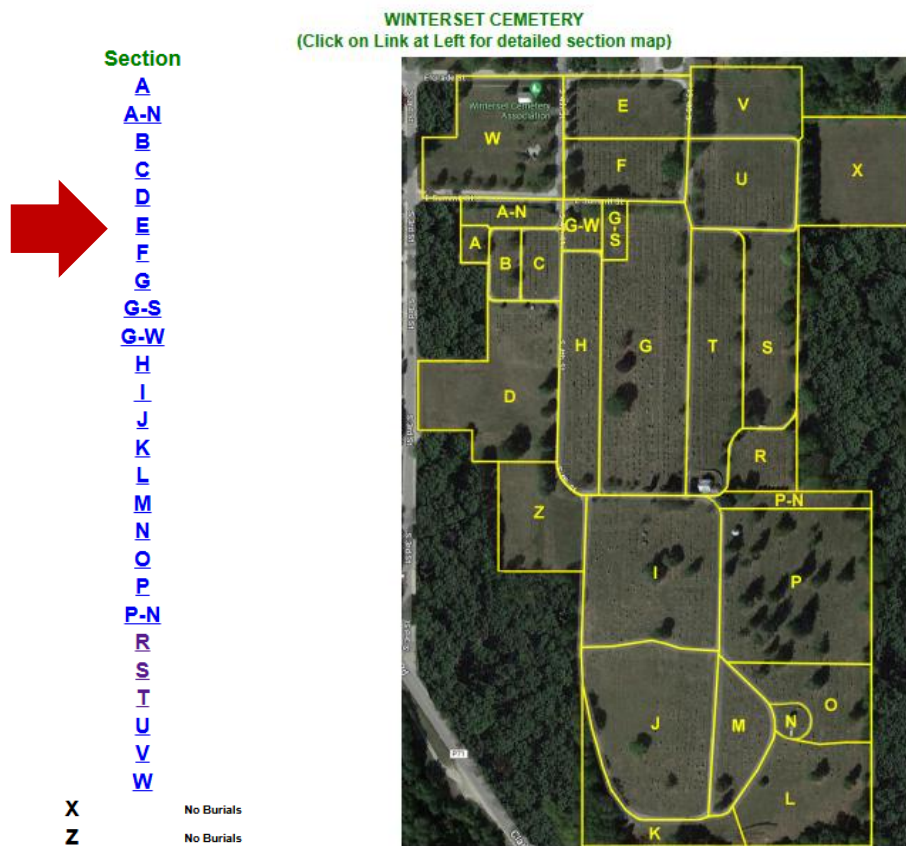

Results: A photo of the gravestone with a transcription of the gravestone inscriptions. If available, an [Obituary](#) link will take you to the online obituary at the IAGenWeb.org/madison website.

The record for **JOHNSTON, Thomas Robert** at **Winterset Cemetery** in Madison County, Iowa, is shown. It includes a photo of the gravestone for Thomas Robert Johnston (April 29, 1953 - July 7, 2009) and Roxanne Welch (May 15, 1954). The record also features a "Contributed: 10/24/2009" date, a "Suggest a Correction" button, and a copyright notice. Below the photo, there are "NOTES & COMMENTS" including birth and death dates, and links to an [Obituary](#) and [Cemetery Row E-2](#).

Locating the Grave in the Winterset Cemetery

Click on [Cemetery Row E-2](#) to pull up a map of the Winterset Cemetery.

For this example, click Section [E](#) on the left-hand side which will pull up a map of just section E, and show you the numbered rows. Locate Row [2](#) in section E to begin your walking search.

Notes: Some rows, especially in older sections of the cemetery may not be as straight as the newer sections. Please look in the rows on either side within those sections. Also, newest gravestones may not yet be photographed.
